Re: Forfeiture of Commissions

Dear Mr. van der Werff,

This letter is to inform you of Paul Revere's decision to forfeit all your rights to Paul Revere commissions, bonuses, or other compensation because of your violations of Section X(A) and Section VIII(A) of your District General Agent Agreement (hereinafter referred to as "Agreement") with Paul Revere.

As you know, on January 23, 2026, Paul Revere terminated your Agreement immediately because the Company reasonably believes you violated Sections X(A)(6), X(A)(7), and X(A)(8) of your Agreement by misrepresenting IRS Section 125 to clients and engaging in misleading sales practices that created a financial benefit for your businesses, [REDACTED]

In Paul Revere's January 23, 2026 termination letter, Paul Revere reminded you of your duty to honor the contractual terms in Section VIII of your Agreement. Despite this warning, Paul Revere has received information indicating that you directly or indirectly engaged in one or more of the impermissible acts described in Section VIII(A).

Section VIII(B) states that, "DGA shall forfeit all rights to commissions, bonuses, or other compensation if DGA engages in any of the acts specified in Section VIII(A) or any of the acts specified in Sections X(A)(2) or X(A)(4)." Paul Revere reasonably believes that you have engaged in these specified acts. As a result, Paul Revere has decided to avail itself of the contractual remedy contained in Section VIII(B) by herein now and forever forfeiting all your rights to commissions, bonuses, or other compensation.

This decision did not come lightly and does not waive any other remedy that may exist for Paul Revere in the Agreement or in any state or federal law or regulation. Paul Revere reserves all claims, rights and defenses that are available to Paul Revere under the Agreement and any state or federal law or regulation.
